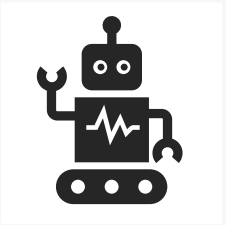
Session 11: Smart CV Creation

Presented by

Ravindu Sooriyaarachchi

What We Will Do Today

Understand what makes a great CV.



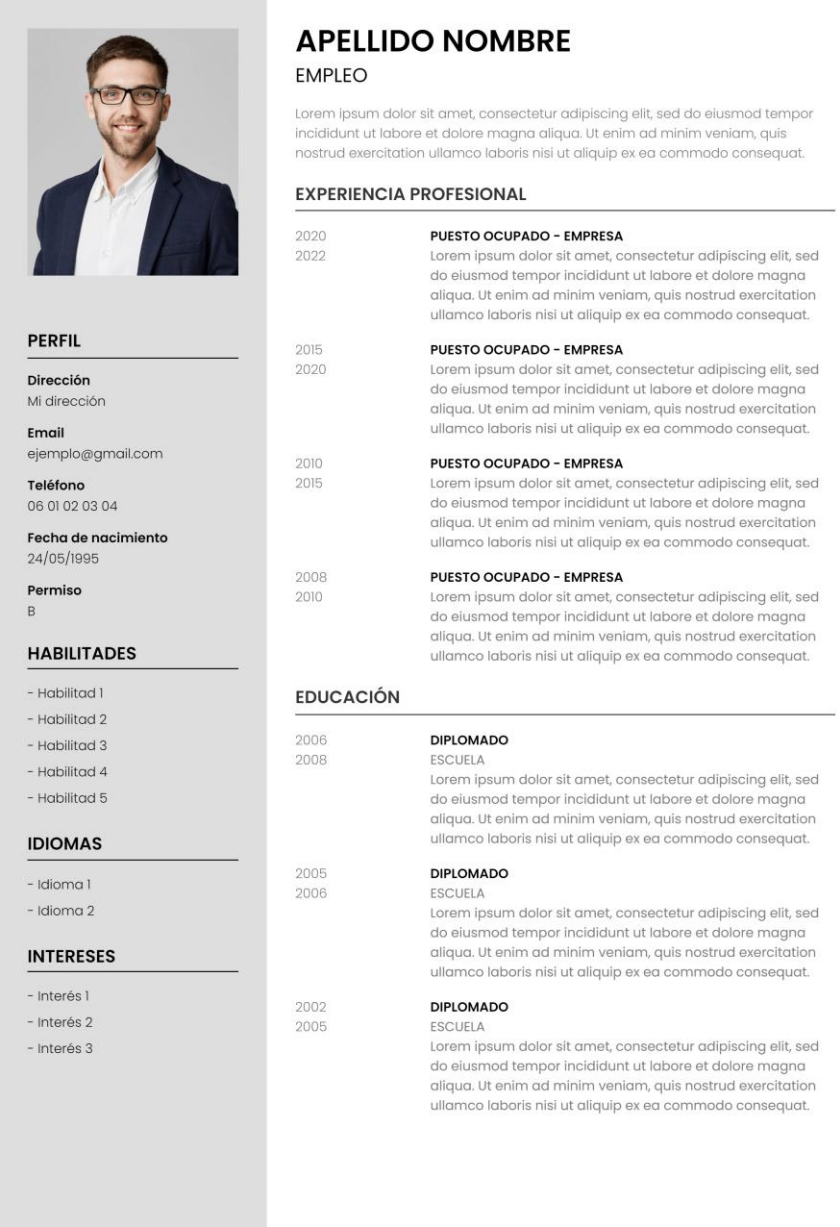
Use AI to write professional English.

Design a clean layout in Canva/Word.

Live Activity: Create your CV now!

What is a CV?

- It is NOT a biography.
- It is a Marketing Flyer.
- You are the product.
- The Recruiter is the customer.
- Goal: Get an interview, not tell your life story.



APELLIDO NOMBRE

EMPLEO

- Interés 3

Rules for a Professional CV

- **Length**: Maximum 2 pages.
- **Photo**: Professional or none (no selfies!).
- **Email**: Use name@gmail.com (not coolboy99@...).
- **Format**: Clean, simple, easy to read.
- **File Type**: ALWAYS save as PDF.

Overcoming the Language Barrier

- Worried about your English grammar?
- Don't know professional words?
- Solution: Generative AI (ChatGPT / Gemini).
- Think of AI as your Personal English Editor.

Writing Your Content

- Don't worry about grammar yet.
- Just type your skills/experience roughly.
- Prompt: “I am applying for [Job].”
- Rewrite these bullet points to sound professional:

[Paste your rough points]

Stuck in Sinhala?

- Can't find the English word?
- Type the responsibility in Sinhala/Singlish.
- Prompt: "Translate this into professional CV English."
- Example:

" computer hadanna dannawa" = "Proficient in hardware troubleshooting."

Using Microsoft Word

- Best for: Traditional, text-heavy CVs.
- How: Use Resume templates in word
- Tip: Stick to "Clean" or "Minimalist" templates.
- Avoid designs with too many photos/colors.

Using Canva

- Best for: Modern, visual CVs.
- How: Search "Minimalist Resume".
- Warning: Don't use "Skill Bars" (e.g., 80% English).
- Why? Computers (ATS) cannot read graphics.

Let's Do This Together!

Open AI (ChatGPT/Gemini). → Type your education & 3 skills. → Ask AI: "Write a professional summary for me.“ → PASTE YOUR SUMMARY IN THE ZOOM CHAT!

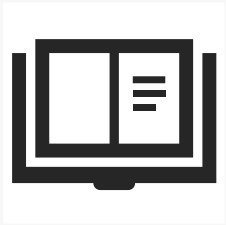
One CV Does NOT Fit All

- Never send the same CV to every job.
- The AI Hack: Paste your CV into AI.
- Paste the Job Description into AI.
- Ask: "Update my CV to match this job."

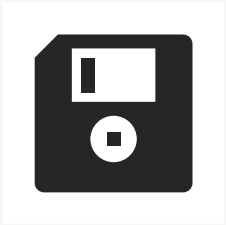
Before You Send...

Did I run a Spell Check?

Is my phone number correct?



Is the font easy to read?



Did I save it as a PDF?

Homework: Your First Draft

- Create your full CV using AI + Canva/Word.
- Export as PDF.
- File Name: Name_Surname_CV.pdf
- Upload to Tomorrow's chat.

Send Me Your Thoughts (Anonymously!)
